

**We deliver more than premium ginger**  
we deliver trust, quality, and purpose.  
Our services cover the entire journey from  
farm to market:

- Premium Product Selection
- Strict Quality Control
- Efficient Global Shipping
- Sustainable Farming Support

## OUR COMPANY

Hilya Global Export is a purpose-driven agricultural company specializing in high-quality ginger from the fertile lands of Desa Riseh Tunong, Dusun Dama Buleun, Kecamatan Sawang, Kabupaten Aceh Utara, Province of Aceh, Indonesia.

We partner directly with local farmers, ensuring fair trade, transparent processes, and consistent quality in every shipment. Every root we export carries the heritage of Aceh a story of dedication, sustainability, and prosperity.

# OUR PROJECT

- 1. Ginger Cultivation Excellence**  
Enhancing yield and quality through modern techniques while preserving traditional wisdom.
- 2. Farmer Empowerment Program**  
Providing training, resources, and fair market access to improve farmers' livelihoods.
- 3. Sustainable Export Growth**  
Expanding Aceh's agricultural presence globally while maintaining environmental responsibility.

THANK YOU

*Hilya Global Export*

**“GINGER WITH  
PURPOSE –  
PROSPERITY  
FOR ACEH  
FARMERS”**

**We are more than an export company.**

We are a bridge between Aceh's farmers and the global market ensuring every customer receives premium ginger while every farmer receives fair recognition and reward.

# PURE ACEH GINGER – PREMIUM QUALITY, GENUINE STORY

- **Pesticide-Free Excellence**  
Cultivated without harmful chemicals. Safe for consumers and kind to the environment.
- **Rich Flavor & Aroma**  
Harvested at peak maturity, our ginger maintains its full-bodied flavor and distinctive aroma.

We are a purpose-driven agricultural company specializing in ginger cultivation and export from Aceh, Indonesia. Our ginger is grown in rich volcanic soils under tropical climates, resulting in its natural growth, distinctive aroma, vibrant flavor, and high nutritional value.
